NEW HAMPTON POLICE DEPARTMENT

1972 Annual Report

I am proud to report that 1972 passed without a single motor vehicle fatality in the town of New Hampton. The year was basically a quiet year. As the summer season approached us, several of the campground owners and myself were faced with a new problem and that was police patrol in these camping areas because the summer population of New Hampton swells in excess of 4000 people. To handle this situation the campground owners hired special police officers on a part time basis and I patrol the areas as often as possible.

I am proud to report that with the cooperation of the New Hampton Fire Department and some concerned citizens who generously donated their time and equipment, we were able to collect up 75 eyesore junk automobiles from the landscape of New Hampton. The project is not complete and I hope we can continue to work on this worthwhile campaign in the future but like everything else it will take money to finish it.

I have completed the following police courses during the past year: Crime Scene Investigation sponsored by the Belmont Police Department; Human Relations offered by St. Anselm's College; and Police Management sponsored by New Hampshire Police Standards Training Council and attended several seminars presented by the Council. In conclusion I'd like to mention that dogs continue to be the common complaint of many of the residents of town. Two hundred seventy eight police complaints were received by the department and 73 arrests made for the year.

Respectfully submitted,
CHESTER W. BUTCHER JR.
Chief of Police

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	36 fires	10 $\frac{1}{4}$ acres burned

DONALD H. MORRILL
Treasurer

The Planning Board of the town of New Hampton meets on the third Thursday of each month in the conference room of the Gordon Nash Library at 8 p.m. Members are: Chairman Guy Davis, Treasurer, Donald Morrill, Richard Blue, Donald Mudgett, Raymond Smith, Robert Moulton and the secretary Trudy Powers.

This year the board has been busy reviewing subdivision plans submitted by various members of the New Hampton Community. We have also been continuing our struggle to complete the final approval for the Smokerise Development located on Route 104 in New Hampton. This approval has not yet come, however considerable progress has been made. Another new development has appeared in our town over the past year. This development is located on the Straits Road (Forest Pond) and is owned by the Northland Investment Corp. This development includes 23 parcels ranging from 5 acres in size to 135 acres.

The Planning Board also held a special meeting with the State Resource Conservation and Development Commission to discuss any help they might be able to give us in starting various projects in our town such as locating a town beach, a town water supply and recreation and the planting of trees and the beautification of various parts of the town.

The board regretfully accepted the resignation of Miss Hope Swain from the board on July 20, 1972. We would like to thank Miss Swain publicly for her many years of faithful service and we wish her well in her "retirement."

All planning board meetings are public and everyone is invited and encouraged to attend. after all, this is your town too!

TRUDY POWERS,
Secretary

NEWFOUND AREA NURSING ASSOCIATION

The need for nursing care in the Towns of Bristol, Bridgewater, Alexandria and New Hampton was again demonstrated in 1972 as NANA made 2323 visits. Many of these calls involved entire families or larger group efforts as occurred during the recent measles epidemic and in the Well Baby Clinics. The total number of people that were actually reached, therefore, far exceeds the number of calls.

Service has again been improved by the purchase of a much needed larger automobile. The generous donations by numerous local residents as well as summer and winter friends has made it possible to obtain a police radio for more rapid reaction to emergency situations.

The nominal sums contributed by the four member towns support the services of two registered nurses, one Licensed practical nurse and an office secretary. Their help is available to all residents. Five years ago the towns were called upon to contribute approximately 33% of the total budget. This year the same appropriations will be nearer 10% of the total budget with its much expanded service. The balance of the operating budget comes from fees which are largely reimbursed through Medicare-Medicaid.

The breakdown on the 1972 visits are listed with 1971 remaining for comparison.
